Bradys Return from Mississippi Visit

By SUE BURK
FRontier 5-4549
A new couple that has moved into 5217 Vanderhill are Bill and Marilyn Tinsley from Des Moines, Iowa. Both Bill and Marilyn work for the North American Aircraft plant. Marilyn's brother Jack, who was

with them for the last couple of weeks, has just enlisted in the service. May we wish lots of good luck to Jack and a big welcome for the Tinsleys to our community.

Away this weekend-end to Pasadena is Marty White of Zaka. Marty is visiting her mother and father, Mr. and Mrs. Hitchcock, and while she is away her husband, "Buz," is redecorating a couple of rooms in some very warm and interesting colors. Bet this will be a surprise to Marty and we know she will not only be surprised but very happy about it.

Pat and Irene Brady reported a wonderful trip to Biloxi, Miss. They visited New Orleans, the huge Army bases, and the port centers. The Bradys stayed with Irene's sister, Mrs. Thelma Piekich, of Biloxi, who took them through the shrimp and crab packing house which is owned by Don Piekich, a brother-in-law. Stopping in Houston, Tex., on the way to Biloxi, the Bradys visited with Mr. and Mrs. Ray, parents of a good friend and neighbor, Mrs. June Chemic, of Zakon Road. Sorry though to hear that little Carol Brady is ill and do wish her a speedy recovery. However, we are very glad the Brady family enjoyed the trip.

Our sympathies go to the Bellehumeur family of Macasfee. Mrs. Dorothy Bellehumeur

New Treatment For Arthritis And Muscle Pain

TORRANCE — If you have been suffering for years from arthritis and muscle pain, do not despair. Dr. Larson's new application of the latest in scientific therapy is promising new hope for relief of the crippling torture of arthritis and rheumatic conditions. You are invited to come in for a complete examination to discover the true cause of your condition. Price for this examination is only \$3.00. Phone FAirfax 8-3735 before coming to offices of Dr. R. A. Larson, D. C., Ph. C., 1110 Sartori Avenue, Torrance (three doors north of Torrance Blvd.) —Adv.

Scout Dennis Coil Back from New Mexico

Dennis Coil, Star Scout and junior assistant Scoutmaster of the Moose Lodge-sponsored Troop 315, returned Friday from a five-week stay at the Philmont Scout Ranch in New Mexico.

Chosen from the Harbor area as one of the top junior leaders of the Los Angeles Area Boy Scout Council, Coil, along with 31 other Los Angeles area Scouts, was given a practical course in Scout leadership and Scout outdoor lore, such as mountain hiking and camping.

Coil lives at 1651 W. 218th St. has just returned from her visit to Putnam, Conn., but reports that her father, Claude Cotton, is terribly ill and paralyzed completely. Returning this week from a trip that was bounded on all sides with sorrow, we are happy to know that she at least enjoyed her plane ride to Connecticut.

Jim and Beta Padgett of Binedwald are home again from a trip to Detroit. The Padgetts spent their three week vacation in New York and Chicago, also visiting the Yellowstone National Park and other great national parks. The kids brought back a new Kaiter Manhattan which was partially responsible for the trip.

Dorothy Gomez and daughter, Becky Sue, were special guests at a birthday party honoring little Danny Pace of Macafee Road. Danny was three years old on Tuesday, July 28th. Happy birthday, Danny.

We hear by the grapevine that Mrs. Lorraine Peale was honored with a baby shower given by Dorothy Irvine and Carmen Lane of Binedwald. Conventional stork shower games were played and prizes given to the winners.

Another party given this last week on Macafee Road was held for Mrs. H. H. Patterson on her birthday. Her many friends and neighbors showered her with gifts, such as a table lamp set, coasters, cosmetics, etc. Glad you were so surprised with all the attention and happy, too, for now we can also say happy birthday to a wonderful gal.

Church Drama To Be Presented In Waleria

The Bishop's Company will present Christopher Fry's "The Boy with a Cart" Friday evening, Aug. 14, at the Waleria site of the partially constructed Community Methodist Church, residents of the area were reminded yesterday by Rev. Gene M. Gehres, pastor of the church. Since its inception, the Bishop's Company has won national recognition. It is sponsored by Bishop Gerald Kennedy with Rev. T. H. Palmquist serving as advisory chairman.

The Aug. 14 program at the new church at Ward St. and Newton St., will open with community singing and the drama, "The Boy with a Cart," will be presented under the stars in the uncompleted church. Benches will be provided, according to Rev. Gehres, but those attending may bring their own camp chairs if desired, he said.

Two committees from the church membership have been named to supervise the local production. Ushers include Jack Tinkle, Tom Kirk, Kenneth Pierson, Bob Payne, Willard Bowen, John Monaghan, Ray Taber, and Dick DeMott. Properties committees include Edwin Grogan, Frank Tenney, Ronald LeMaster, Norman Kuska, Bill Bergener, Bud Hagan, John Chaudano, Eugene Anderson, and Wesley Crocheron.

A free will offering will be collected for the benefit of the church. Further information may be obtained by calling FRontier 8-6545.

TRUCK TRANSPORT
Trucks now move 99 per cent of the United States tobacco crop to initial markets.

American-Standard Vice-President Named

Walter Whittaker has been elected vice-president, administrative planning for American Radiator & Standard Sanitary Corporation by the company's board of directors.

Whittaker formerly was vice-president and comptroller. H. Watson Paddock, former assistant comptroller, was elected comptroller to succeed Whittaker.

SALES INCREASE

Average sales for United States gas stations rose in 1950 to about \$1000 above the 1949 figure, it is estimated.
